O. D. O. Buttermilk Baby Chick Starter

O. D. O. Chick Food

with Pure Medicinal Cod Liver
Oil (Concentrated)

When hatched, a chick weighs about one and a half ounces; it doubles this weight in six days, and under normal conditions can be made to weigh two and a half pounds in twelve weeks — more than twenty-five times its original weight. Small wonder a chick is a very intensively, delicately constructed organism, and that it must be fed very liberally—and very carefully.

The first essential to the proper feeding of little chicks is a knowledge of the nutritive elements and their relation to the demands of the chicks' bodies. Few poultrymen have the time or laboratory facilities and experience to gain the knowledge for themselves; hence, if they prepare their own chick foods on a guesswork principle, such foods are very likely to be deficient in one or more of the necessary elements, and excessive in others, which is very injurious and often results in bowel troubles and death.

Youngest of Keystone Family

Protein 13.4%. Fat 5.4%. Fibre 2.2%.

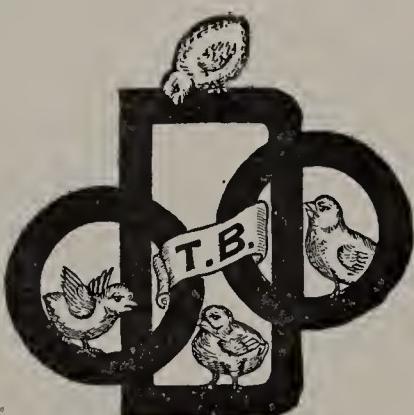

Buttermilk, Corn Meal, Oatmeal, Feeding Flour, Cooked Wheat, Bone Meal, Meat Meal, Epsom Salts, and other medicines.

O. D. O. has been growing healthy, vigorous chicks for New Jersey poultrymen for the last fifteen years. It is known, and has been used by thousands of farmers with excellent results.

The price is substantially lower than competing starters.

Buckeye Coal-Burning Brooders

SAVE EVERY SALABLE CHICK

Buckeye Coal-Burning Brooders stop chick losses. Thirty-five years of brooder-building experience are back of them and they combine every advantage vital to brooder efficiency. Burns either hard or soft coal satisfactorily. Have larger coal capacity—burns longer with less frequent coaling. Larger grate provides a bigger fire body and produces more heat. Double automatic regulator accurately controls temperature day and night. Stove is of heavy cast iron, equipped with rocker grate. Painted gray and trimmed with red, the Buckeye Coal-Burning Brooder is more attractive than ever. Has a revolving hover which eliminates canopy bail, rope and pulleys and permits easy access to brooder. Compare the following specifications with other coal-burning brooders of the same chick capacity.

Capacity	Diam. of Canopy	Coal Capacity	Smoke Pipe	Shipping Weight	Price
No. 117—350 chicks	42 in.	25 lbs.	4 in.	75 lbs.	\$15.00
No. 118—500 chicks	52 in.	40 lbs.	5 in.	98 lbs.	17.50
No. 119—1000 chicks	56 in.	60 lbs.	5 in.	135 lbs.	22.50
No. 120—1200 chicks	60 in.	75 lbs.	5 in.	150 lbs.	26.50

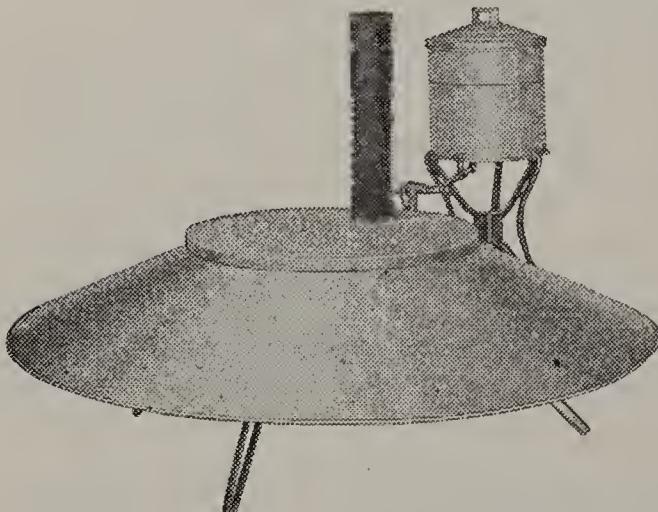

Here's the New Oil Brooder Sensation

Buckeye "Even-Heat"

New in Design

New in Construction — New in Convenience — New in Range of Operation

New in Chick-Saving Ability

The Buckeye "Even-Heat" Colony Brooder has unequalled heating power and accuracy of heat regulation.

The chicks won't get chilled for a moment. They won't get over-heated. They won't huddle and injure each other. They won't contract the diseases caused by chilling, crowding, or "sweating." Every "Even-Heat" makes it one of the most practical, most dependable, most economical, most convenient large-capacity oil-burning Brooders ever built!

BROWN'S AUTO SPRAYS

and Garden and Household Necessities

A complete line of sprayers and parts—We can fill your orders promptly
Write for Catalog

BROWN'S AUTO SPRAY No. 9

A durable, well-built 4-gallon machine made with brass or galvanized corrugated reservoir. Pump is of one-piece brass tubing with all-metal check valve. The screw lock, corrugated tank and drain-dry features of this sprayer made it one of the best sellers. Tested to 90 lbs. pressure.

	Each
Auto-Spray No. 9B.....	\$9.35
Auto-Spray No. 9D.....	6.20

BROWN'S AUTO SPRAY No. 26

The No. 26 is made in four different styles—26A has lithographed tin cylinder and tin container—26B has tin cylinder and brass container—26C is entirely of brass—26AG has tin cylinder and glass container. We highly recommend the No. 26AG as the best seller of all continuous atomizers.

Auto-Spray No. 26A, each.....	\$0.67
Auto-Spray No. 26B, each.....	1.19
Auto-Spray No. 26C, each.....	1.45
Auto-Spray No. 26AG, each.....	.98

BROWN'S AUTO SPRAY No. 6

The most powerful bucket pump made. It easily generates over 200 pounds pressure and sprays on both the up and down strokes. The pump is all brass with malleable iron foot-rest and handle. Will not rust or corrode.

Auto-Spray No. 6, each.....	\$3.99
-----------------------------	--------

BROWN'S AUTO SPRAY No. 50

This sprayer is of the same construction as the No. 9, but has a plain tank and is a smaller capacity machine. The tank is made of heavy sheet brass or strong galvanized steel sheet. Pump is of one-piece brass tubing with all-metal check valve. Capacity 2½ gallons. Tested to 60 lbs.

	Each
Auto-Spray No. 50B.....	\$7.98
Auto-Spray No. 50D.....	5.32

BROWN'S AUTO SPRAY No. 30D

This is an excellent general purpose Sprayer. The 12-gallon tank is made of heavy galvanized steel sheet. The pump is of brass. Capable of handling all disinfectants, insecticides, cold water paints, etc.

Auto-Spray No. 30D, each.....	\$12.40
-------------------------------	---------

ACME INSECT BELLows

Each	\$1.40
------------	--------

BROWN'S AUTO SPRAY No. 7

This pump can be used as bucket or barrel pump. All working parts are of brass and will not rust or corrode. Top casting, handle and foot rest are of malleable iron and will not easily break. Is equipped with air jet agitator which keeps solution thoroughly mixed. Auto-Spray No. 7, each..... \$4.15

BROWN'S WHIRLING SHOWER

Brown's Whirling Showers, each.....	\$1.60

Barrett Roofings and Shingles

THE BEST MONEY CAN BUY

The Barrett Reputation Protects You

Back of the name Barrett is the experience gained during sixty-seven years' manufacture of quality roofings. The best possible product at the least possible cost has always been the Barrett policy, with the result that today Barrett Roofings are everywhere recognized as the standard of roofing value. The Barrett reputation for dependable roofing products offers sure protection to all roofing buyers. The name Barrett is the symbol of quality.

EVERLASTIC

An unusually good mineral-surfaced roofing weighing 85 to 90 lbs. per roll. Durable and lasting, it has a 2" selvage edge which provides easier application and tight laps. Highly fire-resistant. 36" wide. Underwriter's Label. Colors: Red, Green, Blue-Black.

Per roll \$1.71

VITEX

A mineral-surfaced roofing at a low price. This is a product that combines the desirable colors of mineral surfacings with a good, medium quality roofing. For steep roofed buildings, valleys, flashings, etc. 36" wide. Approximately 75 lbs. per roll. Colors: Red and Green.

Per roll \$1.48

EVERLASTIC

The highest quality smooth-surfaced roofing made. It costs the least per year of service. Nothing but the best grade of materials are used in Everlastic. Highly fire-resistant, recommended wherever high quality, long life and durability are desired. 36" wide. Underwriter's Label on both weights.

Heavy weight (approx. 60 lbs.).....	per roll	\$2.24
Medium weight (approx. 50 lbs.).....	per roll	1.95

VITEX

Where first cost is an important factor, Vitex stands out as the logical choice. It gives good service at a medium price—for steep roofed buildings or valleys, flashings, etc. 36" wide. Heavy weight carries Underwriter's Label.

Heavy weight (approx. 45 lbs.).....	per roll	\$1.72
Medium weight (approx. 45 lbs.).....	per roll	1.50
Light weight (approx. 35 lbs.).....	per roll	1.25

TOMAHAWK

A low priced, competitive roofing representing a very good value. For roofing temporary buildings, sheds, outhouses and many miscellaneous uses such as sheathing tobacco barns, for floor covering, lining packing boxes, protecting cement bags, etc. 36" wide.

Heavy weight (approx. 55 lbs.).....	per roll	\$1.02
Medium weight (approx. 45 lbs.).....	per roll	.85
Light weight (approx. 35 lbs.).....	per roll	.73

SHEATHING, BUILDING PAPERS

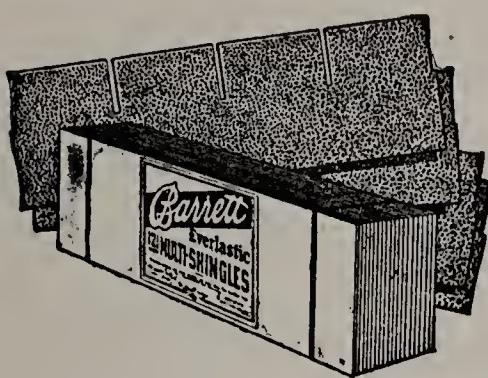

Nox-em-all Rosinized Sheathing. 20-lb. roll. 36" wide—500 sq. ft.....	roll	\$0.50
Slater's Felt, black (500 sq. ft., weight 30 lbs. per roll).....		.91
Jack Frost, black (500 sq. ft., weight 30 lbs. per roll).....		.91
Black Diamond Felt (weight 55 lbs., 432 sq. ft. per roll).....	roll	1.40

SHINGLETTE

Gives the appearance of a shingle roof with easy application and low cost of roll roofing. A single design is embossed upon heavy slate-surfaced roofing. Does not need painting or staining. Weight approximately 95 lbs.; area sufficient to cover 100 sq. ft. Underwriter's Label. Colors: Red, Green.

Per roll \$2.83

AGRICULTURAL TANNIC ACID

To be used with black Leaf 50, making an efficient and harmless spray for fruit trees, shrubs, rose bushes, etc. Unlike arsenic sprays, this mixture will not injure ripe fruit nor make it necessary to wash before marketing.

It is economical to use, as it is a greatly diluted solution. Recommended by the New Jersey Agricultural Experiment Station.

Per lb.	\$0.40
